## Sponsorship Package

**HACK THE WOODZ 2022 - SPONSORSHIP PACKAGE**

**WHO ARE WE?**

**OUR STORY**

Ariel Liu (@hackthewoodz)  
Hello! I'm Ariel - a high school senior with a passion for programming and education. Kaushik and I first met at a hackathon (ironically), and it was then that we discovered our united goal of making programming accessible.

From then on, we aspired to gather others with the same vision and thus created the Woodlands Hack Club. We constantly sought to eliminate barriers of entry and encourage more students to step into the field of technology.

This is the next chapter.  
Now we want to make a difference in students outside of Woodlands. Through Hack the Woodz!

**OUR EVENT**

**WHAT IS HACK THE WOODZ?**

Hack the Woodz is a beginner-focused Hackathon hosted by students from the Woodlands Secondary School. This year, Hack the Woodz will be run virtually allowing for any student to join! Participants will have 12 hours to create any project that excites them. We will not be placing a pitch-only track to enable students that want to try a hackathon but don't want to code a chance to join in on the fun!

We are so excited to run Hack the Woodz this June and we'd love for you to join us in this amazing experience!

**HACK THE WOODZ 2022 - SPONSORSHIP PACKAGE**

**WAYS YOU CAN HELP!**

	Bronze \$100	Silver \$300	Gold \$600	Platinum \$900+
General	Opportunity to mentor and judge	Opportunity to judge	Opportunity to judge	Opportunity to judge
	Stage time at opening ceremonies
